Closing a vacancy

These steps **must** be completed once the vacancy has been filled, or if it needs to be closed for any other reason.

1. **Ensure pre-requisites have been met**
2. **For vacancies requiring a work permit**
3. **Enter Closing Date and Final Status:**

1. **Ensure pre-requisites have been met**
   - The Applicant and Vacancy Statuses **MUST** be updated to reflect the latest/final statuses. Where the vacancy is being closed due to a direct appointment, use the vacancy status ‘Appointment Made’.

2. **For vacancies requiring a Tier 2 visa**

For vacancies requiring a Tier 2 visa, the Home Office ‘Resident Labour Market Test’ (RLMT) requires you to keep a copy of all applications shortlisted for final interview in the medium in which they were received.

The following steps have been confirmed to meet this requirement:

1. Search for your vacancy, click on **Actions** and select **View applicants**.

2. Click on the **Generate Applications** button at the bottom right of the applicant screen.

3. Select the applications that were shortlisted for that vacancy by using the tick box option to the left of the applicant's name.

4. Click on the **three dots** and then select **Merge Applications**.

5. A notification should appear at the top of the screen to confirm the job has been submitted.

6. Once the merged document is ready you will receive an email notification.

7. Select the **View Merged Applications** button.

8. If the merger has been successful, then the online PDF of the document will open in another window. You may be required to show you trust the document source in order to open.

   This will overwrite existing merged pack.

3. Enter Closing Date and Final Status:

   **Core Portal > corehr > Recruitment Dashboard > Vacancies > Actions > Edit Vacancy**
1. Complete the fields as instructed below:

<table>
<thead>
